2025

2025

You may not know Taiwan, or where it is located, but you cannot deny that it is a source of technological and cultural innovation. Let's explore Taiwan's technological and cultural journey through the Taiwan Rotary Youth Exchange program (D3521, 3522, 3523).

Date: July 19 ~ Aug. 09 2025

Semiconductor course

Our semiconductor course designed for young students. Explore the fundamentals of the semiconductor industry, manufacturing technology, packaging and testing, and material analysis. Engage in hands-on activities and gain practical experience. By the end of the course, you'll have a solid foundation in this cutting-edge field. No prior knowledge required—just curiosity and enthusiasm!

Robot Course

In the robot course You can observe the robot's manufacturing principles and operation learning by following the award-winning team of the 2024 FRC Robot Competition.

Drone course

Drone course from July 28-30 in Taiwan for an intensive, hands-on drone pilot training experience designed for ambitious young learners. This immersive program takes you from foundations to advanced applications, equipping you with the skills to operate drones with confidence and precision.

Information & application details

Language:	English
Arrival :	July 19th 2025 at Taoyuan CKS airport , Taiwan

Applicants should be between 18 and 25 years old, not be related to each other in any kind of relationship (e.g. brother and sister, boy – and girlfriend). A total of 24 spots are available on a first-come, first-served basis, with a limit of 3 participants per country.

Schedule

Day 1
2025.07.19

Arrival at Taiwan

Day 2
2025.07.20

Welcome Party

Day 3-5
2025.07.21-23

Semiconductor Practical Courses at Lunghwa University of Science and Technology .

Day 6-7
2025.07.24-25

Ankang High School Robotics Course.

Day 8-9
2025.07.26-27

Weekend with Host Families.

Day 10-12
2025.07.28-30

Drone Courses at Taipei University of Marine Technology.

Day 13-14
2025.07.31-08.01

Semiconductor/Robot/Drone Industry Visit.

Day 15-16
2025.08.02-03

Weekend with Host Families.

Day 17
2025.08.04

National Palace Museum Tour.

Day 18
2025.08.05

Rotary Community Service.

Day 19-20
2025.08.06-07

Cultural Tour Group Activities In Yilan County.

Day 21
2025.08.08

Weekend with Host Families and Farewell Party.

Day 22
2025.08.09

Departure for home

We reserve the right to make reasonable adjustments to the itinerary.

ROTEX will support needed for daily life management, evening activities, and documentation.

Certification

At the end of the camp, each unit's partners will issue training completion certificates to the campers.
